PROFESSIONAL SUMMARY

Film Production student with hands-on experience across cinematography, editing, and production coordination. Combines technical training with practical skills in equipment management, on-set operations, and team collaboration. Proven ability to execute creative projects from concept to delivery in fast-paced environments. Seeking entry-level production roles to contribute technical proficiency and strong work ethic.

EDUCATION

Bachelor of Fine Arts in Film Production / Expected 2027

Humber Polytechnic Institute of Technology & Advanced Learning
| Toronto, ON

Bachelor of Fine Arts in Film Studies (2 Years Completed) / 2023 - 2025

Toronto Metropolitan University (TMU) | Toronto, ON

FILM PROJECTS & PRODUCTION EXPERIENCE

Student Filmmaker / Humber Polytechnic & TMU
2023 - Present

- Directed, shot, and edited 5+ short films, managing all phases from pre-production planning to final color grading and delivery.
- Camera & Lighting: Operated PMW-300, Blackmagic Pocket Cinema Camera, and Canon C100; designed and executed creative lighting setups for narrative and documentary scenes.
- Post-Production: Edited projects in Adobe Premiere Pro and DaVinci Resolve, performing color correction, sound design, and audio mixing.
- Production Coordination: Assisted with location scouting, equipment logistics, call sheets, and crew scheduling for student film shoots.

Event Operations Volunteer / Toronto International Film Festival (TIFF)

2019 & 2024

- Supported venue operations for one of the world's largest public film festivals, assisting with theater management, guest services, and crowd flow.
- Collaborated with technical staff and volunteers to ensure smooth execution of 15+ screenings and events.

PROFESSIONAL EXPERIENCE

Operations Lead / Local Public Eatery / Toronto, ON

2025 - Present

- Led daily venue reset and closing procedures for a high-volume establishment, coordinating a team of 4-6 to efficiently manage space, equipment, and inventory.

Sales Associate / IKEA / Toronto, ON

2023 - 2024

- Managed visual merchandising and floor displays, implementing detailed planograms requiring spatial awareness and precise setup skills directly transferable to set dressing and staging.
